REPORT TO COURT REGARDING ST. LOUIS TRANSITIONAL CENTER

COME NOW, Defendant Pam Tripp, by and through her counsel of record, and for her Report to Court Regarding St. Louis Transitional Center, states as follows:

1. Plaintiff previously suggested he lacked the ability to conduct legal research because he was placed in the St. Louis Transitional Center. On November 20, 2019 counsel for Defendant received information from the Missouri Department of Corrections to the effect that Plaintiff is a Class III Offender, meaning that Plaintiff has had the ability to leave the facility at the St. Louis Transitional Center for the purpose of conducting legal research; if he wished to do so.

2. Plaintiff's course of conduct in this case warrant dismissal of the lawsuit; however, in the event that litigation continues, Defendant anticipates obtaining documentation and supplementing the record to further illustrate that Plaintiff has made affirmative misrepresentations to the Court.
